Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment.

We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.

Academic Year: 2020/21	Total fund allocated: £18,650	Date Updated: 25/09/20	% of total allocation	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.			Percentage of total allocation:	
				90%
School focus with clarity on intended impact on pupils :	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Improve physical activity levels in our most inactive pupils.	<p>Increase percentages in all year group for those children attending ASCs and representing the school – specific focus on offering opportunities to those children deemed inactive as highlight through school tracker.</p> <p>Offer one ASC at least 4 days a week</p>	<p>£2,030</p> <p>£3,150</p>	<p>Participation was affected by pandemic. Schools bubbles were not allowed to mix and this in turn affected ASCs.</p> <p>YSSN provided virtual classroom to all pupils in line with (adapted) long term plan. This was accessible to all children.</p> <p>Due to financial implications of PGL summer rescheduling – this was subsidised with PE grant. Chn able to participate in challenging, engaging and risk taking activities. Team bonding and resilience.</p> <p>School playground is being resurfaced (in parts) Including schools MUGA with astro turf.</p>	This plan will continue for the 20-21 academic year due to COVID-19 closures.

Provide additional lunchtime and after school clubs for pupils to access their 30 minutes of physical activity. Engage the least active pupils in meaningful activity and give them the confidence to move on to regular extra-curricular and community clubs to ensure lifelong participation.	<p>Increase percentages in all year group for those children attending ASCs and representing the school – specific focus on offering opportunities to those children deemed inactive as highlight through school tracker.</p> <p>Upgrade in YSSN membership means an ASC one a week</p> <p>Refresh and update of provision available to children on a lunchtime basis</p>	£6,405	<p>When not disrupted by covid YSSN package saw lunchtime and after school clubs.</p> <p>All classes in lockdown were provided with ‘play equipment’ specifically for their bubble.</p>	This plan will continue for the 21-22 academic year due to COVID-19 closures.
Ensure maximum uptake of our extra-curricular clubs to engage as many pupils in extracurricular clubs as possible.	<p>Continue to use pupil voice to ensure clubs meet the demands of pupils.</p> <p>Offer one ASC at least 4 days a week.</p> <p>Use participation tracker to identify those children deemed less active.</p>	£1,160	<p>As ASC were only open to classes (due to bubbles) participation did decline. However classes were still offered ASC and these were largely successful.</p>	This plan will continue for the 21-22 academic year due to COVID-19 closures.
Ensure breaks and lunchtimes have the option of active play. Encourage pupils to take part to achieve the guidelines.	<p>Re-design of playground area to encourage pupil engagement in active play.</p> <p>Relaunch school play leaders.</p> <p>Refresh and update of provision available to children on a lunchtime.</p>	£4,034	<p>All classes in lockdown were provided with ‘play equipment’ specifically for their bubble. Extension to existing trim trail adding more challenge</p> <p>As MSA’s were in charge solely of one classes they acted as play leader for these classes.</p>	This plan will continue for the 21-22 academic year due to COVID-19 closures.

			<p>This was hugely successful and these games were then continued by children.</p> <p>School playground is being resurfaced (in parts) Including schools MUGA with astro turf.</p>
