

# WELCOME BACK

*Dringhouses Primary | What's New?*

INSPIRATION | LEADERSHIP | CHALLENGE

## WE'RE BACK!

We hope you had a great summer, and are ready for the new year ahead! We've got some changes in place to make Dringhouses Primary an even better place, including our newly developed curriculum, which we're very proud of. A lot of building work over the summer to update you on, new staff, and changes in some of our systems...read on!

### PE KIT

In line with Year 5 and 6, we're now letting Years 1, 2, 3, and 4 come into school in their PE kit on their PE day - this is to minimise the time spent changing, and maximise the time spent moving!

## DRINGHOUSES DISCOVERY CURRICULUM

We've spent a LONG time creating a curriculum for Dringhouses Primary School - for our children, and for our community. We've designed it around the themes of Inspiration, Leadership, and Challenge. Each phase (set of year-groups) has a bespoke curriculum that centres around a key book, knowledge and skills that build on each other from year to year.

We're also making sure that our Dringhouses Character (curious, creative, collaborative, confident, community-minded) is very much represented in everything that we do.

We hope that your children will be excited to talk to you about what they're doing at school!

## WELCOME...

We're very lucky to have India Howarth joining us as a member of our team in Early Years. India has been working at

Roundhay Primary in Leeds most recently, and we know that she's going to be a fantastic addition to the EYFS community. Make her feel welcome and say hi!

We're also welcoming back Helen Floyd, who's returning after mat' leave, into Class 10 (Y5/6). Help her avoid missing Zara too much and ask her lots of questions about how much sleep she's getting!

## SOCIALS

We have a new website!

And we're now using Tapestry for EY and Y1 and 2, then Instagram -which feeds onto our website- for Y3 and 4 (@dringhousesprimarylks2), 5 and 6 (@dringhousesprimarylks2).

We hope that these feeds will give you more of an insight into the exciting and engaging things that your children and the school more generally gets up to!
