

CLASSES 1 & 2

Phase Newsletter: Looking ahead to Spring 1

Dringhouses Discovery Curriculum - What will we be learning about?

We are asking and answering the question “*What is in the sky?*” We will be learning about space, transport and how this has changed over time.

Things you need to know

Phase Dates

Homework: Called “Home Learning” set on a **Friday** via Tapestry to be completed for the following **Thursday**, again via Tapestry.

Trips: Birds of Prey Centre will be completing a workshop in school.

Reading books: Please support your child’s reading by reading and using the phonics flashcards and going through the ‘tricky’ word bookmark (focussing on 3 words at a time) at the back of the book everytime you hear your child read. Please also record your child’s reading in the yellow book. Ideally everyday, but **minimum five days a week**.

Please send in your child’s reading book and reading record **every day**.

As the weather gets wetter and colder please ensure your child comes in with a **warm coat, hat, scarf and gloves**. It would also be useful for your child to leave a pair of wellies in school ready for outdoor play in the wet

Please ensure that your child comes to school with a **water bottle** and **labelled uniform**. Any uniform that isn’t claimed will be moved to lost property that can be accessed via the office.
