

CLASSES 1 & 2

Phase Newsletter: Looking ahead to Summer 2

Dringhouses Discovery Curriculum - What will we be learning about?

We are asking and answering the question "*What would you find in the deep, blue sea?*" We will be learning about

Things you need to know

Phase Dates

Homework: Called "Home Learning" set on a **Friday** via Tapestry to be completed for the following **Thursday**, again via Tapestry.

Trips & Events: To support our learning project "*What would you find in the deep, blue sea?*" we will be visiting The Deep in Hull on **Thursday 15th June**

Our **Sports Day** will be held on **Thursday 13th July 2pm-3pm** - further details will follow

P.E: To encourage the children's growing independence, we ask that children bring their P.E. kit into school at the start of the half-term to change into at school on P.E. days. Their kit will be kept in their locker and will be sent home during the half-term to be washed.

Reading books: Please support your child's reading by reading and using the phonics flashcards and going through the 'tricky' word bookmark (focussing on 3 words at a time) at the back of the book everytime you hear your child read. Please also record your child's reading in the yellow book. Ideally everyday, but **minimum five days a week**. Please send in your child's reading book and reading record **every day**.

Please ensure that your child is sent to school with a named water bottle so that they can keep hydrated throughout the day. On sunny days, please ensure that you have applied suncream on your child **before** they come to school. Your child can then bring their suncream to school in a named container for them to apply themselves during the day.
