

# CLASS 6 | 7 | 8

## Phase Newsletter: Summer 1 2024

### Dringhouses Discovery Curriculum - What will we be learning about?

#### Eureka!

This half term, our learning will take a STEM focus and we will be delving into learning all about states of matter, electricity, making electrical objects in DT and a two week coding project in computing. We are very excited about our new project. To enhance this project, we have planned a trip to Magna (a science adventure centre) and will be reading Anisha the Accidental Detective, which is the first in a really charming, funny series starring a STEM-loving, British-Indian Sikh girl and her huge, hilarious extended family.

### Things you need to know

### Phase Dates

#### **Homework:**

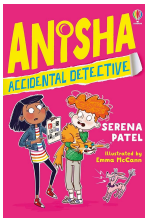

- To read for at least 20 minutes every day.
- To complete at least 4 Spelling Shed activities each week.
- To practise multiplication tables on TimesTables Rockstars each week. Each fortnight, we send home a paper copy of the focus times tables for additional practise at home. We appreciate as much of your support with this as possible to ensure that our children are fluent and confident mathematicians as possible- thank you.

#### **Trips/workshops/clubs:**

- Circus skills club with Circus Stu - Wednesdays
- Cookery club with Clare's Kitchen- Thursdays
- Choir- Fridays
- Orchestra-Mondays

#### **Reading books:**
